

Is your homeschooler interested in piano, art, drama, gymnastics, soccer, baseball, cheerleading or Scouts? Want a P.E. program or a driver's ed class? Need help with algebra? What about something a little different, like fencing or horseback riding? Maybe your homechooler just wants to get together with other homeschoolers to roller skate, go on field trips, or volunteer in the community. Various activities, classes, clubs, and co-ops are available in the Montgomery, Elmore and Autauga County areas.

Many are specifically for homeschoolers, but others are classes or organizations open to the public in general.

Unless otherwise noted, the area code for all phone numbers is 334.
